DOCUMENT RESUME

ED 058 171 SP 005 503

TITLE	Systems Analysis in Education: Bibliographies in Education No. 25.
INSTITUTION	Canadian Teachers' Federation, Ottawa (Ontario). Research Div.
REPORT NO	C-71109
PUB DATE	Dec 71
NOTE	30p.
EDRS PRICE	MF-$0.65 HC-$3.29
DESCRIPTORS	*Bibliographies; *Educational Administration; *Systems Analysis

ABSTRACT

This bibliography contains material drawn from the British Education Index, Canadiana, the Canadian Education Index, the Cumulative Book Index, the Current Index to Journals in Education, the Directory of Education Studies in Canada, the Education Index, Education Studies Completed in Canadian Universities, Research in Education, and Research Studies in Education. The period covered is approximately 5 years. The 374 entries are subdivided into sections for books (188 entries), articles and excerpts from books (163 entries), and theses (23 entries). (MBM)

SYSTEMS ANALYSIS IN EDUCATION

Sources consulted in preparing this bibliography include the British Education Index (The Library Association), Canadiana (National Library), the Canadian Education Index (CCRE), the Cumulative Book Index (Wilson's), the Current Index to Journals in Education (CCM), the Directory of Education Studies in Canada (CEA), the Education Index (Wilson's), Education Studies Completed in Canadian Universities (CEA), Research in Education (ERIC), and Research Studies in Education (Phi Delta Kappa). The period covered is approximately five years.

Abstracts of material with an ED number may be found in Research in Education. If marked "Available ERIC", hard copy or microfiche copies may be purchased through the Education Document Reproduction Service of the ERIC system.

Material available on loan from the CTF Library is asterisked.
